

Detour for Bridge Replacement

Residents and motorists are advised that a detour route has been set up for a bridge replacement on Twp Rd 302 north of Water Valley and west of Cremona.

The detour will take motorists north to Twp Rd 304, using RR 54 if approaching from the

west and RR 52 if approaching from the east. Motorists will use the corresponding road to come back south to Twp 302. (See attached map).

Residents and other local traffic in the detour area will still be able to access their property but will not

be able to cross the bridge. Construction on the bridge will begin on April 18, 2016 and is scheduled to conclude on May 18, 2016 if weather and conditions allow.

For more information please contact Operational Services at 403-335-3311.
