

Cremona helps veterans

BY Jackie Mork

CREMONA - Cremona and area residents raised \$475 for the Veteran's Food Bank in Calgary during Remembrance Day activities in the village.

The Cremona ceremony was held at the community hall, with the school band entertaining before and after the service.

The parade included legion members and was led by piper Jesse Morales and joined by Didsbury RCMP Corporal Organ, constables Hawes and Doane, and cadets Warrant Officer 2nd Class Dexter Hahn, Cadet Quinn Bosch, Sergeant M. Sissions and Sergeant Bill Hawkins.

Guest speaker was 95-year-old Alice Airriess from Calgary who was with the Canadian Women's Army Corp during the Second World War.

Alice relayed her interesting experiences in Europe, where at one time she was a records keeper and said they could track the soldiers in their various locations.

As usual the lunch served at the legion following the service was well attended. Four hundred and seventy five dollars was raised for the Veteran's Food Bank, plus groceries.

Cremona Legion members proudly carry flags at the village's Remembrance Day ceremony.
