

Utilities Pre-Authorized Debit Application

Utility Account Number: _____

Our Pre-Authorized Utility Payment Plan allows you to have your monthly Utility bill automatically debited from your personal chequing or savings account on the statement due date. You are eligible for the Plan if your account is not in arrears.

Return your completed application, along with a cheque marked "void" (if debiting your *chequing* account) to the Village Office. You may cancel your plan at any time with written notification to the Village of Cremona. Payments dishonored as NSF are subject to a \$30.00 service charge. After two NSF payments, Financial Services may cancel your plan. Default of payment will be charged at 1.5%.

In the event of a change in ownership of the property, **it is your responsibility** to notify the Village of Cremona and arrange for cancellation or transfer of your plan.
